

How to: Basic Navigation

BASIC 'CONNECTS' NAVIGATION SCREEN

1 Family Access Button...

- Click this tab to access the basic student/family information
 - Health/Vaccine Info
 - Student Schedules
 - Emergency Information
 - Discipline Records
 - Food Service Purchases

2 Default Family View (Widgets) ...

- A view of basic family information

3 Select Widgets...

- Users can CUSTOMIZE their "views" by selecting (turning on/off) other Widgets.
 - **List of available widgets subject to change at any time. **

4

- Name the TAB/VIEW
 - Use multiple tabs to help organize your views.
 - Example: Employees who are also parents, can create WORK and FAMILY tabs to keep family information separate from work items.

Use ^	Used by	Name		Save
<input type="checkbox"/>	Everyone	District Information		Back
